This licence grants Licensee the right, exercisable solely by and through Licensee's Authorized Users, to:

2.1 Download, copy, and install in accordance with the Documentation one (1) copy of the Software on each of the number of computers set forth on the Proposal owned or leased, and controlled by, Licensee. All copies of the Software made by the Licensee:

Where Licensee continues to use the Software on one or more Excess Workstations, Licensor reserves the right to adjust the License Fees and/or Support Fees accordingly.

3. Third-Party Materials. The Software may include software, content, data, or other materials, including related documentation, that are owned by Persons other than Licensor and that are provided to Licensee on licensee terms that are in addition to and/or different from those contained in this Agreement (“Third-Party Licences”). A list of all materials, if any, included in the Software and provided under Third-party Licences, and the applicable Third-party Licences are accessible via links therefrom. Ownership of all Intellectual Property Rights in such Third-Party Materials remains with the respective owners thereof. Licensee is bound by and shall comply with all Third-party Licences. Any breach by Licensee or any of its Authorized Users of any Third-party Licence is also a breach of this Agreement.

- (l) use the Software or Documentation for purposes of benchmarking or competitive analysis of the Software, developing, using, or providing of a software product or service that competes with the Software or any other purpose that is to the Licensor's commercial disadvantage.

4.2 No Implied Rights. Except for the limited rights and licences expressly granted under this Agreement, nothing in this Agreement grants, by implication, waiver, estoppel or otherwise, to Licensee or any third party any Intellectual Property Rights or license, nor other right, title, or interest in or to the Software or Documentation, and Licensor's Confidential Information.

5. Responsibility for Use of Software.

5.1 Licensee is responsible and liable for all uses of the Software and Documentation through access thereto provided by Licensee, directly or indirectly. Specifically, and without limiting the generality of the foregoing, Licensee is responsible and liable for all actions and failures to take required actions with respect to the Software and Documentation by its Authorized Users or by any other Person to whom Licensee or an Authorized User may provide access to or use of the Software or Documentation, whether such access or use is permitted by or in violation of this Agreement.

5.2 Licensee acknowledges that the Software is not a clinical decision-making tool. Any clinical decision made on behalf of a patient is the responsibility of the legally responsible clinical service provider, notwithstanding that the practice may use the Software to store and display information about a patient.

5.3 Licensee is responsible for:

- (a) the setup and maintenance of the financial reporting and recording aspects of the Software and must ensure that such settings are inputted in accordance with the Documentation to ensure consistent financial reporting;
- (b) Ensuring that data is backed up and saved on a consistent basis;
- (c) Ensuring that all authorized workstations contain adequate virus and malware protection;
- (d) Ensuring that all authorized workstations remain connected to the internet to ensure that the Software is able to install updates and communicate with Licensor servers as necessary; and
- (e) Ensuring that Licensee's staff are adequately trained with respect to the use of the Software and exercise sufficient care to ensure that the Software and data are used and inputted correctly.

6. Compliance Measures.

6.1 The Software may contain technological copy protection or other security features designed to prevent unauthorized use of the Software, including features to protect against any use of the Software that is prohibited under Section 4. Licensee shall not, and shall not attempt to, remove, disable, bypass, circumvent, or otherwise create or implement any workaround to, any such copy protection or security features.

6.2 During the Term, Licensor may, in Licensor's sole discretion, audit Licensee's use of the Software to ensure Licensee's compliance with this Agreement on a regular and consistent basis through the use of system monitoring tools. Licensor also may, in its sole discretion, audit Licensee's systems within six (6) months after the end of the Term to ensure Licensee has ceased use of the Software and removed all copies of the Software from such systems as required hereunder. The Licensee shall fully cooperate with Licensor's personnel conducting such audits and provide all reasonable access requested by the Licensor to records, systems, equipment, information, and personnel, including machine IDs, serial numbers, and related information. Licensor may conduct audits only during Licensee's normal business hours and in a manner that does not unreasonably interfere with the Licensee's business operations.

6.3 If any of the measures taken or implemented under this Section 6 determines that the Licensee's use of the Software exceeds or exceeded the use permitted by this Agreement, then:

- (a) Licensee shall, within thirty (30) days following the date of such determination by Licensee or Licensor's written notification thereof, pay to Licensor the retroactive Licence Fees for such excess use and obtain and pay for a valid licence to bring Licensee's use into compliance with this Agreement. In determining the Licensee Fee payable in accordance with the foregoing, (i) unless Licensee can demonstrate otherwise by documentary evidence, all excess use of the Software shall be deemed to have commenced on the commencement date of this Agreement or, if later, the completion date of any audit previously conducted by Licensor hereunder and continued uninterrupted thereafter, and (ii) the rates for such licences shall be determined without regard to any discount to which Licensee may have been entitled had such use been properly licensed before its commencement (or deemed commencement).

Licensor's remedies set forth in this Section 6.3 are cumulative and are in addition to, and not in lieu of, all other remedies the Licensor may have at law or in equity, whether under this Agreement or otherwise.

7. Maintenance and Support.

7.1 The licence granted hereunder entitles Licensee to the basic software maintenance and support services described in the Proposal. Such support services shall be provided on the terms and conditions set forth in this Agreement.

7.2 Maintenance and support services will include provision of such updates, upgrades, bug fixes, patches, and other error corrections (collectively, "**Updates**") as Licensor makes generally available free of charge to all licensees of the Software then entitled to maintenance and support services. Licensor may develop and provide Updates in its sole discretion, and Licensee agrees that Licensor has no obligation to develop any Updates at all or for particular issues. Licensee further agrees that all Updates will be deemed Software, and related documentation will be deemed Documentation, all subject to all terms and conditions of this Agreement. Licensee acknowledges that Licensor may provide some or all Updates via download from a website designated by Licensor and that Licensee's receipt thereof will require an internet connection, which connection is Licensee's sole responsibility. Licensor has no obligation to provide Updates via any other media. Maintenance and support services do not include any new version or new release of the Software that Licensor may issue as a separate or new product, and Licensor may determine whether any issuance qualifies as a new version, new release or Update in its sole discretion.

7.3 Licensor will provide (a) training, installation, data extraction, transformation, loading ("**ETL**") and setup services (collectively, "**Implementation Services**"), and/or (b) training and support services ("**Support Services**"), as specified in the Proposal and in accordance with the Support Policy in effect on the date such Implementation or Support Services are provided, so long as Licensee is currently entitled to use the Software and Services. Unless otherwise specified in the Proposal, Licensee is responsible for payment for any Implementation or Support Services at Licensor's then-current hourly rates. Notwithstanding any work or assistance provided by Licensor with respect to configuring or setting up the Software, Licensor will not be responsible for the performance, operation, or maintenance of Licensee's system unless agreed-to in a separate agreement. Licensee assumes all responsibility for providing its staff with sufficient training with respect to the ongoing use of the Software and must exercise sufficient care to ensure that the system, software, and data are inputted correctly and used properly.

8. Collection and Use of Information.

8.1 Licensee expressly, irrevocably, unconditionally and absolutely agrees that the Software is designed for users to have user accounts which contain Personal Information related to the Licensee's use of the Software. In order so to permit, Licensee expressly, irrevocably, unconditionally and absolutely agrees to: (i) provide; and (ii) consents to the collection, storage, processing and use of Licensee's Personal Information by Licensor exclusively for the provision of the Software. Licensor's Privacy Policy can be accessed at <https://www.abeldent.com/terms/cs/Privacy%20Policy.pdf> and provides information about how Licensor collects, uses and protects its Customers' Personal Information.

8.2 Licensee consents to receiving commercial electronic messages from Licensor, subject to Licensee's ongoing right to withdraw such consent at anytime upon notice to Licensor via the unsubscribe mechanism provided in such communications.

9. Intellectual Property Rights. Licensee acknowledges and agrees that the Software and Documentation are provided under licence, and not sold, to Licensee. Licensee does not acquire any ownership interest in the Software or Documentation under this Agreement, or any other rights thereto, other than to use the same in accordance with the licence granted and subject to all terms, conditions, and restrictions under this Agreement. Licensor reserves and shall retain their entire right, title, and interest in and to the Software and all Intellectual Property Rights arising out of or relating to the Software, except as expressly granted to the Licensee in this Agreement. Licensee shall use commercially reasonable efforts to safeguard all Software (including all copies thereof) from infringement, misappropriation, theft, misuse, or unauthorized access. Licensee shall promptly notify Licensor if Licensee becomes aware of any infringement of the Licensor's Intellectual Property Rights in the Software and fully cooperate with Licensor in any legal action taken by Licensor to enforce its Intellectual Property Rights.

10. Confidential Information.

10.1 In connection with this Agreement each party (as the "**Disclosing Party**") may disclose or make available Confidential Information to the other party (as the "**Receiving Party**"). A party's Confidential Information shall not include information that: (a) is or becomes a part of the public domain through no act or omission of the other party; (b) was in the other party's lawful possession prior to the disclosure and had not been obtained by the other party either directly or indirectly from the disclosing party; (c) is lawfully disclosed to the other party by a third party without restriction on disclosure; or (d) is independently developed by the other party. The parties agree to hold each other's Confidential Information in confidence during the term of the Agreement and for two years after termination of the Agreement, subject to any legal obligations imposed on the Licensee by freedom of information and privacy legislation. In the event that either party is requested or required for the purposes of legal, administrative, or arbitration to disclose any Confidential Information, the party receiving such disclosure request will provide the other party with immediate written notice of any such request or requirement so that such party may seek an appropriate protective order or other relief.

11. Payment. All Licence Fees and Support Fees are payable in advance in the manner set forth in the Proposal and are non-refundable. Any renewal of the licence or maintenance and support services hereunder shall not be effective until the fees for such renewal have been paid in full.

12. Term and Termination.

12.1 This Agreement and the licence granted hereunder shall remain in effect for the term set forth on the Proposal or until terminated as set forth herein (the "**Term**").

12.2 Licensee may terminate this Agreement upon sixty (60) days notice (the "Notice Period") by ceasing to use and destroying all copies of the Software and Documentation. Licensee is responsible for all License Fees, Support Fees, and other Fees detailed in the Proposal during the Notice Period.

12.3 Licensor may terminate this Agreement, effective upon written notice to Licensee, if Licensee, materially breaches this Agreement and such breach: (i) is incapable of cure; or (ii) being capable of cure, remains uncured thirty (30) days after Licensor provides written notice thereof.

12.4 Licensor may terminate this Agreement, effective immediately, if Licensee files an assignment in bankruptcy or has a bankruptcy order made against it under any bankruptcy or insolvency law, makes or seeks to make a general assignment for the benefit of its creditors or

applies for, or consents to, the appointment of a trustee, receiver, receiver-manager, monitor, or custodian for all or a substantial part of its property.

12.5 Upon expiration or earlier termination of this Agreement, the licence granted hereunder shall also terminate, and Licensee shall cease using and destroy all copies of the Software and Documentation, and permanently erase or cause to be erased from its and its Authorized Users' computer systems, files, and storage media all copies of the Software and Documentation of Licensor obtained, made or authorized to be made by Licensee or on Licensee's behalf. No expiration or termination shall affect Licensee's obligation to pay all Licensee Fees and Support Fees that may have become due before such expiration or termination, or entitle Licensee to any refund, in each case except as set forth in [Section 12.3\(b\)](#).

12.6 On Termination by either party:

- (a) Licensor will retain all Licensee data for a period of sixty (60) days from the effective termination date (the “**Retention Period**”), during which time Licensee may request a final copy of any Licensee Data that is hosted or stored on Licensor servers (the “**Final Copy**”). Licensor shall provide the Final Copy to Licensee, by way of a secure method of file transfer to be agreed upon by the parties, within ten (10) business days from receipt of the Licensee’s request for same. The Final Copy shall be provided to Licensee in a format and type which may, in some cases, only be accessed through the use of the Software, and Licensor takes no responsibility for transforming or altering the data into any other format. For greater certainty, the Licensee shall be responsible for any format conversion of the Final Copy.
- (b) Licensee acknowledges that any and all Licensee Data is permanently deleted upon expiration of the Retention Period and that such data may be unrecoverable at any time thereafter. Licensee agrees and acknowledges that Licensor has no obligation to retain Licensee Data following the expiration of the Retention Period and may delete such Licensee Data in accordance with applicable legislation and data retention policies without prior notice.

12.7 The provisions set forth in the following sections, and any other right or obligation of the parties in this Agreement that, by its nature, should survive termination or expiration of this Agreement, will survive any expiration or termination of this Agreement: [Section 1](#), [Section 8.1](#), [Section 10](#), [Section 12.5](#), [Section 12.7](#), [Section 13](#), [Section 14](#), [Section 15](#) and [Section 16](#).

13. Limited Warranties, Exclusive Remedy, and Disclaimer/Warranty Disclaimer.

13.1 Solely with respect to Software for which Licensor receives a Licence Fee, Licensor warrants that, throughout the Term of the License:

- (a) any media on which the Software is provided will be free of material damage and defects in materials and workmanship under normal use, or that such defects shall be cured within a commercially reasonable amount of time following Licensor’s discovery of such defect; and
- (b) the Software will substantially contain the functionality described in the Documentation and, when properly installed on a computer meeting the specifications set forth in, and operated in accordance with, the Documentation, will substantially perform in accordance therewith.

13.3 If, during the period specified in Section 13.1, any Software covered by the warranty set forth in such Section fails to perform substantially in accordance with the Documentation, and such failure is not excluded from warranty under the Section 12.2, Licensor will either repair or replace the Software, provided that Licensee provides Licensor with all information Licensor requests to resolve the reported failure, including sufficient information to enable the Licensor to recreate such failure

If Licensor repairs or replaces the Software, the warranty will continue to run from the initial date specified on the Proposal and not from Licensee's receipt of the repair or replacement. Each Party agrees that a final judgment in any such suit, action, litigation, or proceeding is conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. The Parties irrevocably and unconditionally waive any objection to the venue of any action or proceeding in such courts and irrevocably waive and agree not to plead or claim in any such court that any such action or proceeding brought in any such court has been brought in an inconvenient forum.

16.6 Assignment. Licensee shall not assign or otherwise transfer any of its rights, or delegate or otherwise transfer any of its obligations or performance, under this Agreement, in each case whether voluntarily, involuntarily, by operation of law or otherwise, without Licensor's prior written consent, which consent Licensor may give or withhold in its sole discretion. No delegation or other transfer will relieve Licensee of any of its obligations or performance under this Agreement. Any purported assignment, delegation, or transfer in violation of this **Section 15.5** is void. Licensor may freely assign or otherwise transfer all or any of its rights, or delegate or otherwise transfer all or any of its obligations or performance under this Agreement without Licensee's consent. This Agreement is binding upon and enures to the benefit of the parties hereto and their respective permitted successors and assigns.

nothing herein, express or implied, is intended to or shall confer on any other Person any legal or equitable right, benefit, or remedy of any nature whatsoever under or by reason of this Agreement.

16.8 Amendments and Modifications. This Agreement may only be amended, modified, or supplemented by an agreement in writing signed by each party hereto.

16.9 Waiver. No waiver by any party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the party so waiving. Except as otherwise set forth in this Agreement, no failure to exercise, or delay in exercising, any right, remedy, power, or privilege arising from this Agreement shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.

16.10 Severability.
